

Helping Startups & Nonprofits Thrive.

From strategic marketing plans to flawless event execution, fostering positive cultures, building partnerships, securing funding, and enhancing customer satisfaction, we empower organizations to make every effort count.

With our expertise and understanding of your unique challenges, we'll help you navigate your industry, maximize your impact, and drive your organization toward success.

The 6 Mix

Marketing

We excel in developing strategic marketing plans. From market research and branding to positioning and messaging, we ensure our clients' target audience is engaged and their brand visibility is enhanced.

- Strategy
- Branding
- Social Media
- Email
- Websites
- Graphic Design
- Blogs
- Content
- and More

Events

We work closely with our clients to design and execute impactful events.

Whether you are looking for client, community engagement, or employee events, large or small, we've planned them all.

- Team Building
- Employee Appreciation
- Client Appreciation
- Community Engagement
- Training Events
- Conferences and Trade Shows
- and More

Partner & Community Relations

We assist in identifying potential partners, developing collaboration frameworks, and fostering meaningful connections.

We help our clients create partnership programs that facilitate resource-sharing, knowledge exchange, and expanded reach, enabling them to make a greater impact.

- Partner Prospects
- Partner Programs
- Partner Incentives
- Onboarding & Training
- Partnership GTM Strategy
- Community Engagement Plan
- and More

Sales & Fundraising

We offer comprehensive support in developing effective sales strategies, cultivating clients/donors, securing sponsorships, and executing sales/fundraising campaigns.

We aim to help our nonprofit clients secure funding and help our startup clients streamline their sales process.

- Buyer Personas
- ICP Profiles
- Pricing Guide
- Differentiators
- CRM Assistance
- Development Strategy
- Online Giving
- Sponsorships
- and More

Planning & Operations

Startups and nonprofits often struggle with operational efficiency due to limited resources and competing priorities.

By optimizing workflows, implementing technology solutions, and providing tailored guidance, we enable our clients to focus on what matters most.

- Strategic Plans
- Define Mission, Vision, & Values
- Employee Reviews
- Communication
- Succession Plan
- Tools & Technology
- Process Optimization
- and More

Experience

Our Experience initiatives encompass customer success, employee engagement, community relations, and overall company culture. We work closely with our clients to ensure our clients' customers, employees, and partners feel supported, valued, and engaged, increasing loyalty, advocacy, and retention.

- Goals & Objectives Definition
- Onboarding
- Engagement
- Training
- Retention Strategies
- Donor Cultivation
- and More
